6-15-2026 Monday Notes of Ed Sparks

-1 page
My experience from the notebook:

Writing did separate me inside from outside & spouse-silly.

My experience from typing:

A value to 1 is a value.

-

Overall, Sometimes. Maybe a month.

I suppose I just did not want to write the last 2 says because I did not want to. No. Never want to. Smilie Face. :)

-

Cars

Cars - My feeling

Ed - 5-15 LM002 90s White I've asked for a Ford GT 90 100x

Fatima - Camioncino probably the GTS too black

Victoria - Range Rover . I will tow the Range Rover to the shop on Day 1. She rides in my car. She will acquire a Land Rover. I will tow the Land Rover to the shop on Day 2. H3T or no driving.

Liceth - Panamera Fuck Hybrids We'll find one. AFTER her 9th wreck she can drive the car. She'll want the H1 anyway. H2 is easier. We'll find one with a leaky sunroof.

I will tell no lies. My Avis stack was stackn'. I started waterfalling.

I do not want any sedans. No A8s. I put straps on an A8 before with white insulation boards tied to the top of one before. You know how mad he'll be if he ever found out. A/C pouring out your

184. 2 Notebook
185.

neck. Straps. Like the actual tow straps.

Other requests:

Restored Lebaron Convertible. Same I had the first time. The R8 convertible works for me. I've already helicoptered 1x, why not 2? Viper hard top is crAzy. The house had 1 once. I'm sure car #2 will be a mint Sky again. Silver. I always wanted a Lotus replacement. 42 Jaguar convertibles was on that list also. I know tons of cars.

Other than that, Fleet 100+ the small Jeep Charcoal. horrible gas gauge. low gas??? low gas??? no gas??? totaled?? Ford Edge White. H3 Don't Care.
